SANCTUS '75

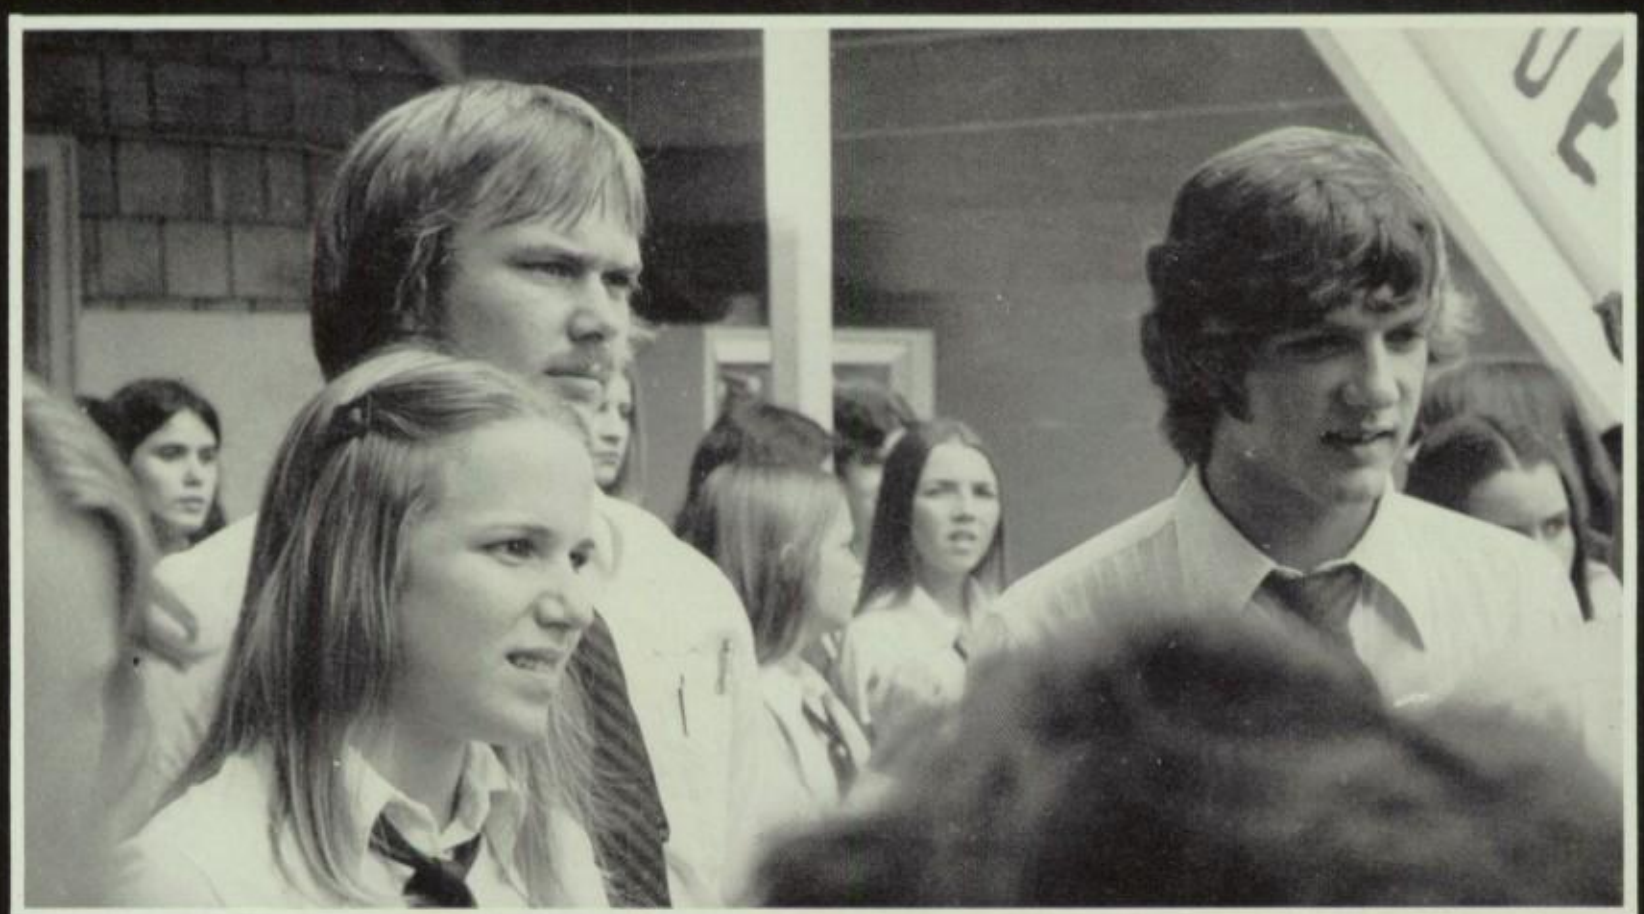
St. Andrew's Episcopal School

VOLUME IV 1974-1975

Shaw Harper — Editor
Eric Ethridge — Assistant
Susan McEuen — Business Manager
Ruth Butler — Sponsor

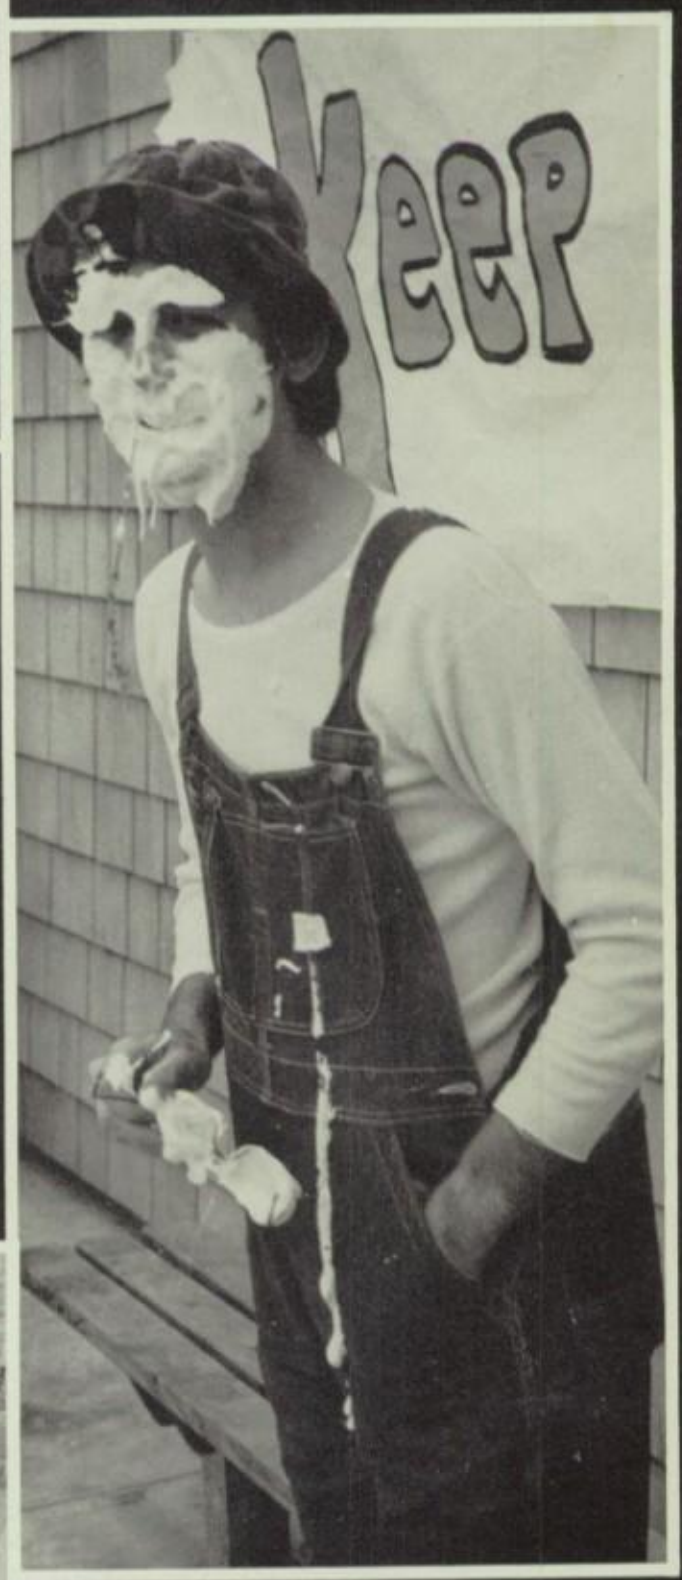
The Annual Staff dedicates its 1975 edition to Mrs. Ruth Owen Butler, who was responsible for our first annual in 1972, and who has served as faculty advisor for each of the subsequent publications. As a teacher of Latin, she has inspired students to appreciate and enjoy classical history and literature. As the sponsor for the Sanctus, she has guided us with patience, wisdom, a sense of humor, and friendly concern. As a very special person, she has a lasting place in the hearts of St. Andrew's students.

Memories light the corners of my mind
Misty water color memories
of the way we were...



Scattered pictures of the smiles we left behind
Smiles we gave to one another.
For the way we were.

Can it be that it was all so simple then,
Or has time rewritten every line?
If we had the chance to do it all again,
Tell me, would we? Could we?



Memories may be beautiful and yet,
What's too painful to remember
We simply choose to forget.

So it's the laughter
we will remember,
whenever we remember
the way we were.

the way we were...

REVEREND LARRY E. MAZE

For the first time St. Andrew's School is privileged to have a full-time chaplain and religion teacher. Father Maze attended Montana State University and the Episcopal Theological Seminary of the Southwest at Austin, Texas. He came to us from the pastorate of the church at Missoula, Montana. Father Maze teaches courses in Old and New Testament and an introductory Bible course. Once a week he visits in the primary classes, and he participates in religious instruction for the lower school. Every Thursday morning Father Maze celebrates Holy Communion for students, faculty, and interested parents, and, under his leadership, many other special services are observed.

MIKE BARKETT - Athletic Director

We feel that the athletic program here at St. Andrew's has grown steadily, beginning last year with our first winning season in football and on to a state championship in tennis and to reaching the state play-offs in baseball.

This year we have continued the winning tradition with another extremely good football season.

Our soccer program, which got a good, solid beginning last year, is progressing nicely. Once again we have students participating in golf, girls' softball, tennis, and basketball. Our upcoming baseball season looks to be most promising.

Our students work hard and have a lot of fun in the athletic program from the elementary level to varsity. The community spirit in our teams is really exciting. The experience gained in the games in which we do our best, along with ones in which we are not up to par, add up to an unequalled growing experience.

Our Five-Star Student

Pre-School, Primary School, Middle School, Junior High, High School

Creath Guillot has the distinction of being our first student to have started in pre-school and graduated from high school at St. Andrew's. Always a favorite, he will long be remembered not only for the tennis trophies he leaves at school, but for the contributions he has made in every area of school life.

Fine Arts Day
January 21, 1975

Artists and professionals from the Jackson metropolitan area, and several colleges and universities in the state were invited to demonstrate their individual talents. Students chose sessions in art, music, drama, photography, or miscellaneous arts. Some of the artists were Eudora Welty, the Jackson State University Players, the Jackson Ballet Guild, James Best, and Lance Goss. The day was concluded with great entertainment by DeWitt Hamilton and his Dixieland Jazz group.
